SUBJECT: Private Schools Monitoring and Evaluation

DATE: December 21, 2015

The effective implementation of the Rationalization Program calls for continuous refinement to address the reality of education in all public and private schools.

As per DepEd Order # 52. S. 2015 Letter C # 12, regarding "Transitory Provisions", DepEd offices are given until the end of December, 2015 to complete their transition and assume the office function in the rationalization structures. Accordingly, the functions of education officials have also been restructured/aligned to better cope with the demands of the times.

There are 10 Public School District Supervisors in the division and included in their functions is the monitoring and evaluation of private schools per district on compliance to standards as regards:

- Permit to operate
- Renewal of operation
- Permit for recognition
- GATSPE implementation
- Accreditation

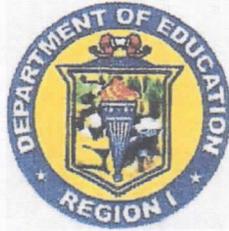

Documents that comply with specified standards shall then be submitted to SGOD office, which shall then indorse it to the Regional Office through the Office of the Schools Division Superintendent.

Dr. Socorro G. Dimalanta, EPS I, shall join the PSDS Team as designated focal person for private schools.

An orientation meeting among Private school heads and PSDS will be conducted on January, 2016. (Date will be announced later)

Attached is the list of private schools assignment for each PSDS for reference.

For the information and guidance of all concerned.
