

MESSAGE

Congratulations to our outstanding students and all the Grade 10 Completers for School Year 2015-2016!

On the occasion of your 1st Moving Up Ceremony, may we all give thanks to your teachers and administrators for their patient nurturing to prepare you to the next level of your educational journey and to the world of work.

Having completed the Junior High School, you are now ready to enter the Senior High School and be a part of the country's major educational reform which is the K to 12 Curriculum as mandated by R.A. 10533.

Let us also extend our gratitude to the parents. Please give your parents a big hug for sustaining you all the way through as you tackled myriad of school of works for four years under the tutelage of your teachers.

It is expected that you have gained added wisdom to walk through the new challenges of the times. The Enhanced Basic Education Curriculum will equip you with the 21st Century Skills necessary to attain global competitiveness.

Be one among the globally competitive Filipinos who are able to bring the nation to prosperity!

So be it, indeed as the theme goes: " Kabataan Mula sa K to 12, Tagapagdala ng Kaunlaran."

Godspeed! Mabuhay!

LOURDES D. SERVITO, Ed. D.

OIC-Assistant Schools Division Superintendent
