Re: Ugnayan sa Paaralan (BFP Fire Prevention Program)
(Fire Safety Lecture/Fire Drills)

Date: 28 July 2016

The Bureau of Fire Protection Dagupan City Station is one of our partners in keeping our schools safe. In view of the intensification of the Fire Prevention Program, the **Ugnayan Sa Paaralan** was launched wherein there will be fire safety lectures and fire drills amongst our schools.

This is very much in line with our plan to strengthen our disaster preparedness and mitigation measures and is also in connection and in support with the National Disaster Consciousness Month this July.

Kindly accommodate the BFP Dagupan City Team for the conduct of fire safety lectures and fire drill, ensuring their transportation especially in Island Schools.

The BFP Team shall coordinate with all School Heads thru your respective contact numbers regarding your schedule. Attached herewith is the letter from the BFP Dagupan City for details.

Please be guided accordingly.
