From:  **FROSERFINA J. BRAVO**
Officer-in-Charge
Schools Division Superintendent 

Subject: ADMINISTRATION OF THE 2016 NATIONAL CAREER ASSESSMENT
EXAMINATION (NCAE) FOR GRADE 9 STUDENTS

Date: November 24, 2016

1. Pursuant to DepEd Memorandum No. 132 s. 2016 through the Bureau of Education Assessment (BEA), in coordination with the Division Testing Coordinator and the officials, personnel from public and private secondary schools, will administer the 2016 National Assessment examination (NCAE) for Public and Private secondary schools on December 7 & 8, 2016.
2. The BEA had set the guidelines to be followed in the assignment of the members of the Testing teams (Chief Examiner, School Testing Coordinator, Supervising Examiner/s, and Room Examiners). To be able to fully conform to all these guidelines, this Division Office will be tapping the services of most school heads/officials of the public elementary schools.
3. To ensure the smooth conduct of this activity, the SDO Dagupan City had conducted the Orientation-Conference on the Standardized Administration of the NCAE to all school heads/chief examiners of the public and private secondary schools and supervising examiners last October 13, 2016 at the Teachers' Hall Schools Division Office, Dagupan City. It was reiterated that the School Head has the duty to orient his/her teachers who are assigned as Room Examiners in other schools or testing centers. CD's containing pertinent testing details were distributed after the orientation-conference.
4. The following matters were discussed during the Orientation-Conference:
 - Reminders before Testing Day
 - Responsibilities of each member of the Testing Team
 - Proper conduct/administration of the test
 - Security of test materials
 - Filling out and submission of the BEA Forms after the Test Administration
 - Reminders on school heads
 - Other related matters
5. Enclosed is the list of the members of the Division Testing Teams in the testing centers with their respective assignments. To avoid glitches on non-reporting of the testing team members, particularly the room examiners, the schools must prepare a list of an alternate pool of room examiners with their contact details.
6. Immediate and wide dissemination of the contents of this memorandum is desired
