Dear Dir. Torio:

This is to inform you that the local theme of this year's celebration of the **Population and Development (POP-DEV) Week 2016** is **Achieve: Wastong Bilang ng Pamilya**.

The theme highlights our aim to attain and sustain the "Zero Unmet Need for Modern Family Planning," in the country thus, intensifying the implementation of the Responsible Parenthood and Reproductive Health Law (RA 10354) in all Family Planning related programs in the region.

In view of this, we are encouraging you to join us through conducting these suggested activities such as:

- ✓ Draft press releases highlighting the POPDEV Week theme, presenting the local situation on Family planning unmet Need which can be disseminated in your locality;
- ✓ Conduct press conference;
- ✓ Hang Streamers with the logo and theme (see attached design);
- ✓ Or any related activities

For your information and guidance. Thank you!

Very truly yours,
