**EDUKASYON.PH EDUCATION FAIR AND ONLINE
 SCHOLARSHIPS APPLICATION PLATFORM**

DATE:

9 January 2018

Edukasyon.ph is a social enterprise that connects students to educational opportunities through an online platform, promotes career awareness among Philippine youth, and helps young Filipinos discover their education options and apply to schools online for free. Their social advocacy and initiatives include online scholarships application platform and "Edukasyon.ph Education Fair" which underscores the importance of empowering students to become well-informed prior to choosing their educational track and offering them a better understanding of the available education opportunities.

The program already reached over 30,000 Grade 10 students around Metro Manila and launched www.edukasyon.ph, the first and only website wherein students can search, inquire, and apply for scholarships. Further, Edukasyon.ph plans to partner with the Department to reach out to more than 500,000 Grade 10 and Grade 12 students.

In this regard, may we request the assistance of your offices in informing all Grade 10 and Grade 12 students in your jurisdiction about their possible education and career opportunities for senior high school and college by supporting "Edukasyon.ph Education Fair" and its online scholarships application platform.

Thank you very much
