Greetings!

The **UP Subol Society (UPSS)**, established in 1975, is a non-stock, non-profit university-based organization of Pangasinan students in the University of the Philippines. Bound by our Pangasinan roots, it stands as a pool of the brightest minds with a common goal of rendering service to our homeland and as an avenue of meaningful student interactions in addressing issues with social relevance.

We, as members of this society, are eager to share the fulfillment of these aim and the building of a better nation with our fellow Pangasinan youth. With the growing tendencies of losing one's individuality, it is important to have a strong foundation of what makes up our identity. Hence, to integrate our aspirations, the UPSS earnestly brings you the 40th Padunungan on **January 6-7, 2020** at the **Narciso Ramos Sports and Civic Center (NRSCC)** in **Lingayen, Pangasinan**. Padunungan, an annual event among public and private schools in elementary and secondary school in Pangasinan, features different contests on various academic fields including the rich Pangasinan culture, history, language, literature, and tourism among others.

Hoping for your school to join us in this clash of talents and wits, we have attached the contest guidelines and mechanics to assist you throughout the process. To avoid discomfort and delays, we highly encourage participating schools to confirm their attendance ahead of time through our registration heads **Charlene Camille Cardona (09154252554)** or **Steffi Nota (09971279947)** or email us a **subolsociety.up@gmail.com**. We will be much honored to have you on **January 6-7 2020**.

Thank you very much and we wish to see you all there when it all happens - the **Padunungan 2020** - where you can uphold your identity, stand up, shout and cheer for your school's spirit!

In the service to Pangasinan,

Faith Ferraren
