Schools Division Superintendent
Office of the Schools Division Superintendent
Dagupan City

Dear Ma'am Banzon,

Greetings!

The **UP Subol Society (UPSS)** is a non-stock, non-profit university-based organization at the University of the Philippines. As the first and premier organization of UP students from Pangasinan, its primary function is to (1) serve the people of their beloved province and (2) provide an avenue for students with Pangasinan roots to meaningfully interact and cooperate. At its core, UPSS aims to promote a purposive scholarship in the university, in Pangasinan, and, consequently, to the country.

As UPSS bridges its passion for serving Pangasinan and promoting its culture, the organization would like to actualize the potential it sees in the province's youth. Hence, to foster camaraderie and societal consciousness among Junior High School and Senior High School students in Pangasinan, the organization hosts the annual clash of talents and wits, **Padunungan**.

Now in its 42nd year, Padunungan is set to take place on **January 26, 2024**, at the **Sison Auditorium (Lingayen, Pangasinan)**, with the theme "**PAWILEN: Reviving Historical Consciousness and Reinforcing Pangasinan Identity**". Moreover, the event's objectives are as follows:

1. Develop critical minds, compassionate hearts, and active selves within the youth when tackling current issues and crucial changes that the public face;
2. Give rise to alternative platforms where our young kabaleyan can confidently show and hone their skills in different fields within and beyond the circle of academics;
3. Inculcate deeper appreciation and promotion of Pangasinan culture, history, language, literature, and tourism, among others;
4. Highlight characteristics of patience, respect, resilience, and growth amid the struggles of being young and seldom given chances to speak out;
5. Foster healthy connections and friendships among the participants through sportsmanship and unity in competitions and;
6. Amplify the youth's voice as they take part in making a positive impact to help alleviate and elevate our current conditions.

In line with this, UPSS earnestly asks for your support as the organization takes part in empowering the youth and rendering service to our dear province. The organization is requesting your good office to be its **partner institution by endorsing Padunungan 2024** to all public and private high school institutions under the jurisdiction of the **Division Office of Pangasinan I**, which shall greatly help us widen the reach of the event's advocacy. Along with your endorsement of Padunungan 2024 to schools under your jurisdiction, UP Subol Society Baguio Chapter is also asking for **permission to utilize your logo for its publications and succeeding necessary letters signifying our endorsement from your office.**

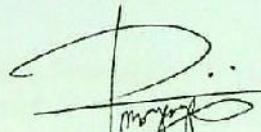

RECEIVED: NOV. 16, 2023 @ 10:26 AM

Attached herewith are the necessary documents pertinent to the event. UPSS hopes for your favorable response to its request and to help uphold Pangasinan's grandeur of intellectual, artistic, and cultural richness.

OUR PROJECTS

COLLEGE ENTRANCE TEST REVIEWS

Every year, UPSS conducts a College Admission Test Review in various schools in Pangasinan. This aims to aid the students in studying for entrance exams for different colleges. A mock exam is done in the morning, then followed by the review in the afternoon. Furthermore, the members also share tips and advice with students regarding exams, admissions, colleges, college life, and even future career paths. This 2022, the review was conducted at Dagupan City National High School and Urdaneta City National High School.

OUTREACH PROGRAMS

The organization is also geared towards assisting marginalized communities through various outreach programs. Food sales and beneficiary parties are held in order to help the organization fund these projects. Through this, Subol is able to reach less fortunate individuals and families in our community.

OUR PROJECTS

PANDEMIC PROGRAMS

When the pandemic hit the world, the organization continued to uphold its guiding philosophy of helping our fellow Pangasinenses. Several donation drives were held to support our frontliners fighting the COVID-19 situation. The organization also continues to celebrate it's anniversary through *pakain* benefitting various sectors such as drivers, teachers, and vulnerable children.

Padunungan is a culmination of inter-campus activities that seek out the best, brightest, and most talented students from Pangasinan's primary and secondary schools.

The inaugural *Padunungan*, held in 1977, was intended to advance the intellect of the Pangasinense youth. It has now evolved into an avenue for students to advance their understanding and honor of our province, its languages, and heritage.

In acknowledgement of *Padunungan* as the organization's initiative, UPSS has been awarded with the **2019 Ignacio B. Gimenez Excellence Award** for UP Student Organization's Social Innovation.
