**RESEARCH FELLOWSHIP ACROSS DISCIPLINE:  
BRIDGING THE GAP THROUGH INTEGRATING QUALITATIVE AND QUANTITATIVE  
RESEARCH METHODS**

The Guild of Educators in Tesol (GET) International Research in partnership with Zamboanga Peninsula Polytechnic State University will conduct an immersive workshop on "Research Fellowship Across Discipline: Bridging the Gap through Integrating Qualitative and Quantitative Research Methods" at Grand Astoria Hotel, Zamboanga City on April 11-13, 2024.

The objective are listed below.

- Equip participants with a comprehensive understanding of both quantitative and qualitative research methodologies, empowering them to design robust studies and enhance their research skills;
- Provide practical experience through theoretical discussions, case studies and exercises, enabling participants to apply these methodologies effectively in their research projects; and
- Foster critical thinking and decision-making skills to enable participants to select the most appropriate research methodology based on the nature of their research questions and justify their choices through written analysis or presentation.

Teachers and personnel of public and private elementary and secondary schools are invited to participate in the activity on a voluntary basis.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Good day, Sir!

Greetings!

In today's dynamic research landscape, where interdisciplinary collaboration reigns supreme, mastering the fusion of quantitative and qualitative methodologies is paramount for scholarly success. Just as proficient research pedagogy lays the groundwork for students' academic journey, adept integration of these methodologies serves as the compass guiding researchers through the complexities of inquiry. From designing robust studies to navigating the nuances of data analysis, our Research Fellowship Program Across Discipline equips participants with the tools and expertise needed to excel in diverse research environments.

The training workshop aims to equip participants with the knowledge and skills necessary to conduct rigorous and multi-dimensional research projects. Through theoretical foundations, practical applications, and hands-on exercises, participants will clearly understand key concepts, enhance their research writing skills, and gain the expertise needed to make informed decisions on selecting appropriate methodologies for their research questions. Ultimately, the goal is to empower participants to produce high-quality research and contribute meaningfully to their respective fields.

The GET International in partnership with Zamboanga Peninsula Polytechnic State University humbly request that you support this issue in any way that you can, for an immersive workshop on "Research Fellowship Across Discipline: Bridging the Gap through Integrating Qualitative and Quantitative Research Methods".

- Date: April 11, 12, and 13, 2024
- Venue: Grand Astoria Hotel, Zamboanga City

This three-day event promises to be a transformative experience, where you will delve into the synergy between qualitative and quantitative methodologies, fostering interdisciplinary collaboration and innovation.

The objectives of the training:

1. Equip participants with a comprehensive understanding of both quantitative and qualitative research methodologies, empowering them to design robust studies and enhance their research writing skills;
2. Provide practical experience through theoretical discussions, case studies, and exercises, enabling participants to apply these methodologies effectively in their research projects; and
3. Foster critical thinking and decision-making skills to enable participants to select the most appropriate research methodology based on the nature of their research questions and justify their choices through written analysis or presentation.

The President of the Guild of Educators in TESOL International, **DR. GINA SY-LUNA** .....

In the realm where knowledge blooms, we extend our gratitude like fragrant blooms, to Dr. Nelson P. Cabral and his esteemed team, whose dedication and vision gleam. Prof. Josephine L. Sulasula, Dr. Roy L. Valesco, Prof. Bonnie A. Andabon, and Dr. Maria Christina G. Wee, under the guidance of Dr. Ivy M. Nazareth's decree, their efforts with grace we see.

To **DR. NELSON P. CABRAL**, a beacon of light, your leadership shines, radiant and bright. With heartfelt thanks, we honor your trust, in this partnership, we fervently adjust, and all the officers bold, your support we hold, like precious gold.

To our cherished participants, from far and wide, your presence fills us with pride. From universities and colleges abound, and educators whose wisdom knows no bound, your collaboration, our endeavors crowned.

As the President of GET International, I humbly say that in this noble pursuit, we find our way. With passion and commitment, we embark anew, bridging gaps, and forging paths true. Together, in unity, let us soar, toward innovation's ever-open door.

With deepest gratitude and heartfelt cheer, let the spirit of progress draw ever near. May our journey together, in knowledge's embrace, lead us to heights, where wisdom finds its place.

The University President of Zamboanga Peninsula Polytechnic State University, **DR. NELSON P. CABRAL** with the support of the Vice Presidents, **PROF. JOSEPHINE L. SULASULA**, **DR. ROY L. VALESCO**, **PROF. BONNIE A. ANDABON**, and **DR. MARIA CHRISTINA G. WEE** through **DR. IVY M. NAZARETH**, Director of ZPPSU Professional Continuing Education, a CPD Accredited Provider of the Professional Regulation Commission with Accreditation No. PTR-2022-373 would wish to express their heartfelt gratitude with sincerest words of appreciation to the President, **DR. GINA SY-LUNA**, to the Vice President - **Dr. LEOVIGILDO LITO D. MALLILIN**, and to all the Organization Officers for the trust and confidence to work and spearhead an event in partnership with Zamboanga Peninsula Polytechnic State University.

To external stakeholders participants from other State Universities and Colleges, Local Universities and Colleges, Private Higher Education Institutions, and the participants from the Department of Education from different Regions, thank you for the support in helping us to achieve common goals in bridging the gap for research innovations across all professions through integrating quantitative and qualitative research methodologies through the conduct of this "RESEARCH FELLOWSHIP PROGRAM ACROSS DISCIPLINES: Bridging the Gap: Integrating Quantitative and Qualitative Research Methodologies".

Rest assured that ZPPSU Professional Continuing Education will be committed with passion and enthusiasm to be your partner in providing you with more CPD training to be conducted not only to earn your CPD credit units for the renewal of your PRC License card but most especially for the continuous professional growth and learnings. Hence, we would like to reiterate that these CPD credit units are not only the by-product, but our main professional services intended for the innovative professional development and personal growth of our clientele.
